

## **Principal Message**

Kaya, this week has been another terrific start to term for all our students and staff at Bakers Hill Primary School. While the weather may have been cold this week, the welcome I have received from the school and community could not have been warmer and is very appreciated!

I look forward to meeting all our families over the coming weeks and getting to know more about the local community. My family has lived in York for the last four years although I have generational family ties to the Wheatbelt region. In my first few days as part of the Bakers Hill team I have been very impressed by the eagerness of students towards learning and my highlight so far has been spending time with the students so I can get to know them each personally.

Relationships are at the heart of successful schools and ensuring that every student at Bakers Hill Primary School is making progress and achieving to their full potential is an important part of the Principal role. I am eager to build on the successes of the school and to work with staff, the School Council and P&C as we continue to work together to create a safe and happy community of learners. I am privileged to be part of this great school and hope to hear your thoughts about our school and our priorities moving forward.

**Chantal Gurney-Pringle**

**PRINCIPAL**
